EVENT INFORMATION
Media Day – Open Practice
Nashville Fairgrounds Speedway, Nashville, TN

UPCOMING EVENT

Date: Saturday, March 26, 2022

Location: Nashville Fairgrounds Speedway, 625 Smith Ave., Nashville, TN

Times: Hauler Parking 10:00am – Pit Gates Open 11:00am – Practice 1:00-5:00pm central time

Practice: Four rotating sessions will be conducted in order of: BAN, LG, FR, PS, SS, LLM, ST, PLM.

Admission: Pit Access (only) \$25 p/person

Hauler Parking: Haulers in the infield will be parked in turns 1 and 2, and along with the back straight-a-way. Race haulers may not park in turns 3 and 4 as those stalls are reserved for Nashville Flea Market vendors. Limited, additional, parking will be available in the back pit area.

Hauler Entry Instructions: Haulers parking in the Infield Pit Area, using the Turn 1 Crossover Gate, should enter The Fairgrounds Nashville from Gate 7 on Craighead Street and proceed along the roadway, over the creek, behind turns 1 and 2, to the Turn 1 Box Office, located near the Turn 1 Crossover Gate. Please DO NOT block any Fairgrounds' roadways or intersections. Haulers parking in the Back Pit Area or the Infield Pit Area using the tunnel, should enter The Fairgrounds Nashville from Gate 6 on Bransford Avenue (Dog Park) and proceed along the roadway to the Gate 7 and Fair Park intersection. Please DO NOT block the intersection and be mindful of guests using the Dog Park.

Tires: The Hoosier Tire Barn will be open from 11:00am until 5:00pm. Pro Late Model teams may purchase one set of practice tires. These practice tires will be the only practice tires available for purchase for ALL practice sessions prior to the Opening Night race. If a team purchases practice tires on March 26th, they may NOT purchase another set of practice tires on April 1st or April 2nd. Practice tire selection will begin at 11:30am. Teams may select tires in order of a random draw. The draw will open at 11:00am. Super Truck and quarter mile take off tires will not be available at this event.

Fuel: Sunoco Race Fuel will be available for purchase. The Sunoco Fuel Station will be open from 11:00am until 5:00pm.

Timing & Scoring: Transponders are mandatory for this event. Transponders will be available for rent for teams who do not own their own Westhold rechargeable or hardwired transponder. Follow Live Timing & Scoring of the event on the Race Monitor Mobile App.

Race Control: The Race Control frequency for Pro Late Model and Super Truck spotters is 451.9250. The RaceCeiver frequency for all quarter mile divisions is 454.0000. RaceCeivers/Scanners are always MANDATORY for all quarter mile division drivers when their car is on the speedway.

ATV: All ATVs must have NFS 2022 Approved ATV permit. Applications are available on the speedway website, in the main office, and pit office on event day. ATVs are NOT allowed on Pit Road when the race track is hot.
